20/02/17:Kailash Chandra Murmu: With reference to above subject, it is learnt that most of the members have not confirmed their contribution/donation towards SSC. I would like to humble request our SSC members that please come forward, come communicating, come keep view and present your contributions/donation in this platform. It is not only our duty to listen but also to perform ball game. Here, in this context, different ball game is there, as without budget in our hand it is not possible to go ahead to discuss way of preparation of celebration, way of sequence of celebration, way of thought of Bhanj Veer Sunaram Soren statue designing

programs, way of steps of upcoming all SSC necessities/ activities. As we are all respected Santal dignitaries like-minded persons, represent our all Santal villages and they count us as great thought persons. My friends & me are doing positive something for our society, for our culture, for our ID that type of positive thoughts to be taken in our heart as to start communication in this context, to post blogs/ views in this context in our SSC, so that we would energize, motivate us automatically & motivate our other friends those who are not in this group. Let's come forward, to post blog writing it may be wrong or right no worrying in this context. No person in this world such that s/he would not understand. S/he would definitely understand. In this group I learnt that most respected dignitaries have been taken, as believed ourselves like minded now.

23/02/17: Somnath Hansdah: Communicating a good news, cheers, celebrating an auspicious occasion, encouraging and thankful for genius people are not an unwanted thing so far. But it is the right time for SSC organising team to put up/ submit approval/memorandum letters to Honourable Chief Minister of Odisha, Hon'ble Education Minister,

SC/ST cells, and copy to all, requesting for official celebrations of SSC. After taking of approval, we should conduct а meeting for build central/executive organising team, local organising team and finalization of no. of events, scheduling of events and preparation of approximate budget for statue and conduct of events. After finalisation of all these thing we have to publish thousands of leaflets to communicate village to village and door to door for spreading the SSC celebration messages all over Odisha and specially in 26 Blocks of Mayurbhani district. Then we can hope for gathering of more than lakhs of people at Baripada and Bhubaneswar grand functions. There should not be a place for footsteps at Baripada at the time of celebrating our SSC event. This is my dream and all of us of course. Please be excited each one of us to make a more grand success than our expectations.

23/02/17: Dhananjay Hembram: Excellent proposal but PC Hembram and team members might have drafted the SSC programme which may be adhered for Baripada. We should pay due Tribute to Great Sunaram Soren at all levels possible so that new generation can feel the importance of our freedom fighters and pathfinders. I second it and all willing persons may kindly try to accumulate fund for SSCC, deposit the funds as intimated by the Administrator of the group -PC Hembram. I request all group members to give quality time & contributions for SSCC programmes which will be more purposeful. We may also avoid discussing contradictory topics in the group to keep the works moving in right direction. I feel all brothers and sisters will agree with my view.

24/02/17:J N Majhi: Very good news. This is the right way, I feel, our SSC news should also spread beyond the boundary of Santal and Ol Chiki. Do we have any connection with media. If not we should develop some association with right kind of people starting right now. This would be very helpful in future.
